# Publication terms of the Freiberg University Library

## 1 Assignment of rights to the repository provider

1. I transfer to the Freiberg University Library the non-exclusive and temporally unlimited right of use to electronically store, process, make publicly available in data networks, such as the internet, and to make available via technical interfaces, such as OAI (Open Archive Initiative), the above-mentioned document(s) with the associated metadata including the abstract.
2. I grant the Freiberg University Library the right to report and distribute the above-mentioned document(s) with the associated metadata including the abstract to other institutions, among others within national collective orders, in particular for the purpose of long-term archiving.
3. I agree that the metadata (without abstract) will be published under the license Creative Commons Zero (CC0, see <https://creativecommons.org/publicdomain/zero/1.0/>).
4. I agree that, for the purpose of archiving, copies of the document(s) and conversions into other electronic or physical formats may be carried out, while maintaining the integrity of the original content.
5. I may revoke these assignments of rights by providing reasonable grounds. If there are no legal constraints, access to the document(s) will no longer be made available.

## 2 Declaration of Copyright and Personal Rights

1. I declare that I have the right of use of all parts of the work and that the rights of third parties, in particular copyrights and personal rights of third parties, are not infringed upon by this (these) document(s). If alleged or actual infringements of any third party rights are asserted, I will inform the repository provider immediately.
2. I agree that the personal data of myself and others, which may be present in the document(s) and in the metadata, may be made publicly available.
3. I declare that all parties involved in the document(s) have been informed of the intended publication and have consented to the use of their contributions in the manner explained above.

## 3 General information

1. Authors or other right holders shall check the metadata, which the Freiberg University Library may change and complete if necessary, and the online version of the document(s) after processing by the Freiberg University Library for completeness, authenticity and legibility.
2. The Freiberg University Library does not pursue any economic interests with the publication. For the publication of the above-mentioned document(s), authors or other right holders do not receive any remuneration from the Freiberg University Library.
3. Authors or other right holders are free to dispose of the work in any other way as long as this does not restrict the rights granted to the Freiberg University Library in this declaration.
