Title of document(s)	

1. I herewith irrevocably permit the Freiberg University Library to permanently archive and maintain the electronic version of the above mentioned document in full text format as well as to publicly provide it on Qucosa servers for the free use on the internet. The Freiberg University Library is allowed to transfer the document including the descriptive data I provided (metadata) on equal terms to other libraries and archives, especially to the German National Library and the Special Subject Collection libraries of the German Research Society (DFG). I am free to dispose of the work in another way if this doesn't result in reducing the rights granted to the Freiberg University Library by this declaration.
2. I hold the rights of use pertaining to this document, and I hereby assert that its publication will not violate the rights of any third party. In case of doubt or in case any supposed or real impediments arise I will immediately inform the Freiberg University Library. I indemnify and hold the Freiberg University Library harmless from any third-party claim caused by competing rights.
3. When the document has been edited by the Freiberg University Library, I shall check the metadata (which the Library if appropriate may alter and complete) as well as the internet version of the document concerning completeness, authenticity and readability.
4. The Freiberg University Library is allowed to alter data if technical development so requires (e.g. data migration for the sake of professional long-term preservation of digital documents). This may not lead to any changes in content.
5. The entry of birth date and place is voluntary. I agree with the saving of these data in the Personennamendatei (PND) and the publication on the Internet.

Publication of qualification requirement (doctoral dissertation, postdoctoral dissertation, master's thesis, diploma thesis et al.)

I assert that the electronic version corresponds exactly with the submitted printed version (in keeping with the doctoral / postdoctoral dissertation regulations) (excepting / including curriculum vitae*) and with the version approved by the examiner resp. examination board.

* Please delete as applicable. It is recommended to deliver the document without curriculum vitae.
